## CLASS HISTORY SOPHOMORES--Great Bend

After a three-month vacation, we settled down as sophomores.

Our class officers were: President, Michael Freeman; Vice President, Jeff Shee; Secretary, Sandra Hurlburt; and Treasurer, Judith Kahler.

Mr. Giangrieco was our home room teacher and sponsor this year. Our class projects were: hot dog sales, salt water taffy sales and candy sales at basketball games.

We waited with anxiety for the coming of next year and the entering into our new school.

## SOPHOMORES--New Milford

As we arrived in our second year of high school, we were greeted by Mrs. Bridges, as our home room advisor.

This year our officers were: President, David Morris; Vice President, Phyllis Flynn; Secretary, Janice Proctor; and Treasurer, Ivan Shibley.

To gain money for our Washington trip, we sold candy and sponsored dances.

As a final gesture, our class motored to Rocky Glen for a gala outing.

## SOPHOMORES--Hallstead

The class of '61 entered tenth grade with a new light in their eyes. We were then in high school and were starting projects to save money for our trip to Washington. Selling candy in the hall was the main project for the year and it proved to be very profitable.

Our class officers were: President, Tim Donohue; Vice President, Susan Wells; Secretary, Peggy Foote; and Treasurer, Ihor Melnyk.

As the end of the term drew near, everyone was filled with anxiety about the coming year. Each student worried about fitting into his new environment and wondered what it would be like to be among those who attend a brand-new school.

## JUNIOR CLASS HISTORY

With a great amount of enthusiasm, the class of '61 entered the new building to become the first official Junior Class of Blue Ridge School. Everyone in our class of one-hundred students became acquainted with his fellow classmates in a surprisingly short period of time. We started the year with the election of officers who were:

President . . . . . David Morris  
Vice President . . . . . Michael Byrne  
Secretary . . . . . Dawn Salansky  
Treasurer . . . . . Susan Wells

Several members of our class represented our school in the County Music Festival. Two soloists from our class were Roberta Kinsley, saxophone; and Gail Schmick, piano.

In order to make money for our Washington trip, we sold stationery and we had a large number of dances. The dance that we shall all remember is our Junior-Senior Prom, "Moonlight and Roses", which we all worked very hard at to make it the most spectacular prom ever presented.

As we neared the end of the term, we eagerly awaited our report cards which would officially declare that we were at last Seniors.

A beautiful school ring was selected by the student body, and we were honored to be the first class to wear it.

One of our eleventh-grade duties was to have a physical examination.

Most of us had not become masters of the art of operating an automobile, so we took part in the driver training program offered by our school.

With suitcase in hand, we are ready to spend a few fun-filled days in our Nation's Capitol.

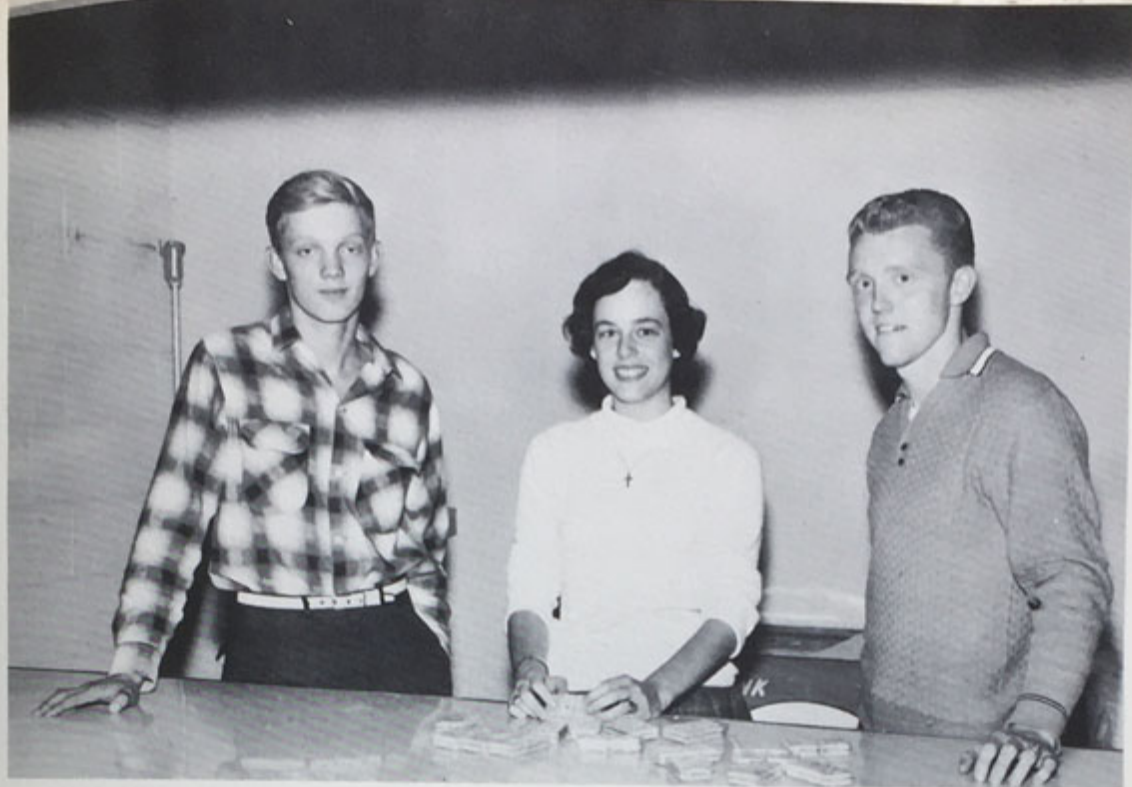

Mr. Phethean was very helpful in assisting us with our choice of college and profession.

We decided on maroon and white for our cap and gown, and here we are getting measured for them.

To supplement money for our Washington trip, we sold candy and soda at all home basketball games and roller-skating parties. Later, we sold pennants, emblems, and tins of candy.

## SENIOR CLASS HISTORY

At last we are seniors! We started this year with ninety-eight students, but we were sorry to say "good-bye" to Sandra Hurlburt, Betty Dunkle, Brenda Dyer, and Georgia Whittemore. With the help of our officers: President--David Morris; Vice President--Timothy Donohue; Secretary--Ann Schulz; Treasurer--Susan Wells; and Assistant Treasurer--Roberta Kinsley; and with the patient help and guidance of our advisors: Miss Demer, Mrs. Meagley, Mr. Puhl, and Miss Sturman, we are striving to make our last year our most memorable one.

The beginning of the year we were in a hustle ordering pictures, name cards, and announcements. After an enjoyable and successful play, "Snow Haven", we had our semi-formal Christmas dance, "Wonderland by Night." Through the year we had a series of roller-skating parties, to make money for our long-awaited Washington trip, and another dance, "Queen of Hearts," to celebrate Valentine's Day.

But the old saying "All work and no play. . ." does not apply to us as we laugh, and work our way through our senior year.
