JUNIOR HIGH SCHOOL DAYS

Sophomore History

We started our sophomore year in the new building with 101 students from New Milford, Jackson, Hallstead, and Great Bend. We all had an enjoyable year meeting new friends from the other schools. We were fortunate, this year, in having for our advisors, Mr. Giangrieco, Mr. Puhl, Mr. Kelleher, and Mr. Yeich.

To help pay for our future trip to Washington, we chose two profit-making projects. The first of these was our candy-selling project, which was very successful. The second project was our rock and roll dance, held on Sadie Hawkins Day. We all had a lot of fun planning and doing these worthwhile things.

We ended our sophomore class year with a fun-filled trip to Rocky Glenn Park.

REMEMBER WHEN--we were in the junior high school? Looks as though several things have changed since then. At the top, you see us in ninth grade at New Milford; next you see us in the ninth grade at Hallstead; and at the bottom you see us in the ninth grade at Great Bend.

History

Selecting our class rings was a privilege we had long waited for. To raise money for our trip to Washington, we sold stationery and presented our junior play "Lights Out". In May we held our Junior-Senior prom "Under the Lights of Paris".

With all this accomplished, we ended our junior year looking forward to our last year of high school.

Yearbook Staff

Senior

We started our senior year by electing our class officers; President--Dick Taylor; Vice President--James Babcock; Secretary--Carol Ann Beynon; Treasurer--Cathy Moelter. We lost three of our classmates this year, Donald Clapper; George Stiles; and Joseph Tomeo, but we were very happy to have Martha Pimentel join our class as a Mexican exchange student.

Under the supervision of Miss Demer, Mrs. Meagley, and Mr. Puhl, we started our money-making projects for our trip to Washington. Our first project was our senior play, "Be Happy? Go Wacky!" We also sold candy, Christmas trees and wrapping paper.

Kathleen Jennings, Gerhard Freidrich, John Williams and Harold McAulliffe will receive a gold award in music.

The National Honor Society sold books to raise money.

Selling yearbooks.

History

In December we had a Christmas Dance, Winter-Wonderland. Through the year we sponsored the roller skating parties and sold candy at the basketball games.

The classmates and faculty of the public schools select a Senior girl, by ballot on the basis of the following qualities; Dependability, Service, Leadership, and Patriotism. The Senior Class elected Kathy Jennings who will compete in a national citizenship contest.

Seniors sponsor roller skating parties.

The Rotary Award is given to two seniors and is kept secret until the night of graduation.

Senior exchange student, Martha Pimental, models native dress.
