FOREWORD

This third edition of the "PANORAMA" has been published as a project of the English IV class by the class of 1938.

Our object in publishing this book is--- to give a comprehensive picture of school activities during the 1937-1938 school year, and to increase the fund for the Senior's Washington trip.

The editors hope that the several new features may add to the interest which our readers have had in earlier issues of "The Panorama." We present a real class year book written throughout by our class members, with the hope that our readers may enjoy the result of our efforts.

TO MISS MARJORIE HALL

for her persevering efforts as our home
room teacher and for unselfish work in
the Operetta and other Senior projects,
we respectfully dedicate the "PANORAMA"
of the Class of 1938.

 A-Able R-----Reliable
 N-Natural I-----Interesting

 E-Energetic H-----Honest

Marie Aldrich-----"Pudgy"
 Basketball 1,2,3,4; Girl Reserves1,2,4.

Picture a girl of medium height---fair complexion, blue eyes and hair tawny with--gold. As we make her acquaintance, we find her to be one of the wittiest persons that we have ever known. She loves to read also to write. She is also a very good artist.
 Clever-----That's our Pudgy!!!

Marjorie Aldrich-----"Marge"
 Basketball 4; Soft Ball 4; Ath. Ass'n4
 Girl Reserves 1,2,4.

Marjorie has been with us for only part of the four high school years. Last year she attended school at Binghamton. She has been very active in our school sports, and always takes her part in our class debates. Ability inclined toward the artistic side will take her places. Keep going, Marge.

Stanley Bajowski-----"Staush"
Basketball 3,4; Track 3,4; Volley Ball
2,3,4; Baseball 4; Opretta 4.

Here's a good natured fellow, who does not let the cares of the world make him the least bit round-shouldered. While Staush is none too studious, he is good in sports. His artistic ability is the outstanding marvel among his many abilities.

Meet our "PANORAMA" artist.

Herold Barnard-----"Barney"
Baseball 3,4; Basketball 3,4; Volley--
Ball 2,3,4; Soccer 3,4; Track 3,4.

"Barney" is one of the "Barnard Boys"
Small of stature but great in poise,
Very athletic in spite of his size
Always honest and never tells lies,
He'll be true until he dies
Let's hope he'll be healthy, wealthy
and wise.

Helen Bradley-----"Bradley"
Girl Reserves 1,2,3,4; Glee Club 1.

Helen is a seemingly very quiet blonde and also a smooth dancer. She can do almost anything from cooking to plowing-----she is very fond of "Peanuts."

Lila Brotzman-----"Brotz"
Vice-President 1; President 2; Sec. 4;
Girl Reserves 1,2,3,4; Sec. 2; Pres.3;
Basketball 1,2,3,4; Softball 3,4;
Volley Ball 3,4; Track Mgr. 3,3; Ath.
Ass'n 1,2,3,4; Sec. 3; Operetta 4;
Minstrel 4; Senior Play 4; Orchestra 1,
2,3,4.

As Brotz blows her short straight nose,
Perhaps she's wondering if Ron will propose
Or maybe about her new clothes
I'm inclined to think it's the former thou'
Because he's more interesting, you know.

Jeanette Button-----"Buttons"
Girl Reserves 1,2,3,4; Minstrel 3;
Ath. Ass'n 1,2,3,4; Basketball Mgr.2,3;
Basketball 1; Operetta 4.
The happy go-lucky blonde who is always
ready for fun.
With a big heart
And a laughing eye
She likes whatever
Money will buy!!!!

Ruth Chamberlain
Girl Reserves 1,2,3,4; Operetta 4.

She's friendly good-natured and kind of short
and we'll all agree she's a real good sport
She loves to dance and is seldom blue,
And as a friend she's always true.

Livingston Cole

Volley Ball 3,4; Debating 3; Soccer
3,4; Senior Play 4; Athletic Association
3k4.

We have had the privilege of having
as a member, Livingston, for the two
years. In that time he has proven him-
self a staunch and loyal classmate and to
all a friend when needed the most. He is
the class genius and specializes in Math
and Science. He encompasses a valuable
sense of humor and is often heard to pro-
claim-----

" A sense of humor will often help
one over seemingly unsurmountable obsta-
cles."

Russell Daniels-----"Rusty"

Oh "Rusty" is the type of boy
Who seldom actually shows his joy,
He came to us from near Lakeview
And showed himself a friend true blue,
He's shy, of course, of this no doubt
Makes half the commotion when Gillett's
about.

Doris Darrow

Girl Reserves 1,2,3,4; Glee Club 1;
Senior Play 4; Volley Ball 3,4;

Black hair and mischievous eyes
Ready to laugh, when occasions arise
In Senior Play Doris did her part
Perhaps it was her theatrical start
Thru' out the year she has worked with a
will,
And after graduation will be working
still.

Stephen DeZuba-----"Steve"
Track 3,4; Volley Ball 2,3,4; Ath. Ass'n
2,3,4; Operetta 4; Senior Play 4; Vice
President of Ath.Ass'n 4.

A tall fellow with a distinctive stride.
Makes a presentable appearance, but his only
similarity to a movie actor is his Clark Gable
ears. Afore mentioned ears may burn with
reference to his Baptist one and only. With
pride of course. Oh, yes, we must not forget
to mention that he is a volley-ball team with-
out the aid of any of his class-mates; he'll
either make the "Olympics" or one swell ditch
digger!

Lucille Forster-----"Sally"
Girl Reserves 1,2,3,4; Glee Club 1;
Basketball 1,2,3,4; Soft Ball 3,4; Track 1,2,
3,4; Operetta 4; Volley Ball 3,4.

Athletics, dancing, lessons and all
Keep "Sally" interested most of the fall
But when winter comes and things slow up
She is steadfast--sure--and can seldom be
stopped.
When winter is o'er and spring rolls around
She is up and at 'em and away with a bound
She's liked by all--both large and small
For she is attractive, slim and tall.

Keith Gardner-----"Bang-Bang"

Hi-Y 3,4; Operetta 4; Soccer 4.

Keith is one of those likeable fellows--and although he has been with us only for half of his high school, his droll jokes, funny stories have won him a place in the hearts of every person in the class who really know him. "Bang-Bang" is lively and full of fun; "Bang-Bang" is after 'em old and young.

Earl Gaylord-----"Gaylord"

Volley Ball 2,3,4; Soccer 3,4; Ath. Ass'n 1,2,3,4; Minstrel 3; Operetta 4.

As a member of the Volley Ball and Soccer teams Earl always plays a hard, clean, and fast game. The hobby he most enjoys is motor-cycling--with his interest for the fairer sex not far in the distance.

Orin Gillett-----"Gillett"

Senior Play 4.

Orin has never taken part in athletics or boys' Hi-Y but he reads many books. When it comes to taking a test on research--Orin always comes out on top. Being a good actor he took the part of a detective in the play presented by the Senior Class. He hasn't thought of the girls yet, although he is training those brown locks to stay in place.

"Bob" Gunn

Hi-Y 1,2,3,4; Ath. Ass'n 4; Senior Pres. 4; Senior Play 4; Operetta 4.

Gunny is our pal in all our activities. He is always ready for a good time anywhere. His specialty is not studies, which are his principal dislike, but blondes! Bob has been a very good president and has performed his duties. His love for argument keeps him in "Hot-water" most of the time. "Bob" is everyones friend and there is always trouble where you find "Bob".

Dudley Hall-----"Dud"
Soccer 3,4; Volley Ball 3,4; Hi-Y 1,2,3,4.

To look at this boy you would think him very
tame,
But he's boisterous and rough in any soccer
game,
We dare say that he'll never have world wide
fame,
But will be an upright farmer, no blemish on
his name.

Perry Hall-----"Pete"
Baseball 1,2,3,4; Basketball 1,2,3,4;
Volley Ball 3,4; Soccer 2,3,4; Track 1,2,3,4;
Orchestra 1,2,3,4; Ath. Ass'n 1,2,3,4.

Perry's eyes are very blue
He often wears that color too,
He oft' to the movies in Hallstead bums
And is very handy with the drums.
In his Senior year he started to grow,
But still, of stature cannot crow.

Jean Hari-----"Hari"
Girl Reserves 1,2,3,4; G.R. Officer 2, Volley
Ball 3; Soft Ball 2,3,4; Minstrel 3.

Jean is one of the most liked of the Senior Class. She seems to have the ability for making friends without trying! It is a pleasure for me to join the Class of '38 in wishing her the best of luck!

Rose Karpinko-----"Rosie"
Girl Reserves 1,2,3,4; Track 1,2,3;
Operetta 3; Senior Play 4.

She lives away where birds and flowers
Give enjoyment to idle hours.
Brown her eyes, brown her hair
All shades matching and shining fair.
Round and plump or thin and comely
We'll like her as much as formerly.

Louise Leslie-----"Squeezie"
Orchestra 1,2,3,4; Girl Reserves 1,2,3,4;
President 4; Minstrel 4; Senior Play 4; Play
Ground Sponsor 3; Class Secretary 1; Treas-
urer 3.

Louise is a bouncing blonde of somewhat
tempermental character. With the ability she
shows in managing a cello in the orchestra, we
believe she can do almost anything.

Mary Kerr
Basketball 1,2,3,4; Track 1,2,3,4; Softball 3;
Operetta 4; Orchestra 1,2,3,4; Editor of "Pan-
orama" 4; Girl Reserves 1,2,3,4; Assistant Ed-
itor 3; Minstrel 3.

Mary Kerr has vim and vigor
Keeps at her studies with steadfast vigor
She's there like a flash in basketball,
' Though she's rather antagonistic after all.
She goes out for track and is she fast!
She's never been known to come in last.

Benjamin Nulton-----"Bennie"
Hi-Y 1,2,3; Track 2,3,4; Soccer 4; Ath. Ass'n
1,2,3,4.

Benjamin Nulton with rugged profile
Is running in track for one mile,
Last year he pole-vaulted way up high,
Can't do everything, but is willing to try.

Leland Pease-----"Peaser"
Hi-Y 2,3,4; Soccer 3,4; Volley Ball 3;
Ath. Associator 1,2,4; Operetta 4; Minstrel
3; Class Pres. 3; Class Sec'y 2; Class Tre-
asurer 4.

From Jackson comes our Leland
Who's always up and doing
Does this for us and that for us,
But who knows who he's wooing?
He's a scholar out of ordinary,
And a young man full of vim,
His desire to be a minister
Is more than just a whim!

Ina Stevens-----"Steve"
Basketball 1,2,3,4; Volley Ball 3,4;
Track 1,2,3,4; Girl Reserves 1,2,3,4;
Operetta 4; Senior Play 4; Ath. Ass'n 1,2,
3,3; Softball 3,4; Minstrel 3.

Ina is one of those good-looking, amb-
itious students. She is one of the few who
have shown great ability in all sports.
Above the average in her studies, active in
extra-curricular affairs and an actress in
the Senior Play--That's our Ina!!!

Nina Stevens
Girl Reserves 1,2,3,4; Softball 3; Mgr.
4; Volley Ball 3; Glee Club 2; Minstrel 3;
Operetta 4; Track 2,3,4; Ath. Ass'n 4.

A modest and bashful little miss
Who spends her time in study
She isn't the kind that says, "What's this?"
But talks more like your buddy.
She doesn't drink or smoke or curse
Her secret ambition is to become a nurse.

Doris Tibbetts

Girl Reserves 1,2,3,4; Treas. 1, Soft-
ball 3; Debate 3; Operetta 4; Ath. Ass'n. 3,
4.

This little girl with her limpid blue eyes
Seems to succeed at most things she tries,
She was in the Operetta this year
Where she kept her little voice in gear,
Gay and laughing at times too,
She's always wearing something new.

Russell Decker Richardson-----"Billy"
Hi-Y 1,2,3,4; Baseball 1,2,3,4; Basket-
ball 1,2,3,4; Captain 4; Volley Ball 3,4;
Operetta 4; Minstrel 3; Senior play 4;
Orchestra 1,2,3; Debating 3.

"Billy is a pal, who is never out of sorts
He's been spectacular in all our sports,
His type of humor we can appreciate
His jokes are the thing to cultivate,
Track, baseball, basketball and Volley ball
For four years he's managed them all.

Burton Whitney

Playground Sponsor 4; Operetta 4;
Soccer 3; Minstrel 3; Hi-Y 1,2,3,4; Ath.
Ass'n 3.

Burton Whitney, the eager-eyed boy
Is his teachers pride and joy,
He is of a very prying mind
He waves and exclaims "Wait! Wait! Wait!
Hold up the debate 'til I investigate."
He's a doubter too it seems
As over the dictionary he sweats and steams
"I don't believe it," he'll up and say
Perhaps he'll write one himself some day.

Robert Whitney-----"Whit"
Baseball 3,4; Basketball 3,4; Volley-
Ball 2,3,4; Track 2,3,4; Soccer 3,4; Hi-Y
1,2,3.

"Whit" is a real out-door fellow and ap-
pears to be very quiet and shy, but some of
the time we wonder!!!!

Bill Williams
Hi-Y 1,2,3,4; Treas. 2,4; Ath. Ass'n 4;
Senior Vice-Pres. 4; Orchestra 1,2,3,4;
Debating 3; Senior Play 4; Operetta 3; Min-
strel 1,3.

"Bill" is one of those fellows who has his
fingers in everything. His favorite subj-
ect is Problems of Democracy because that
class offers a chance for an argument. He
is well-liked by his classmates. His rel-
ations with the girls are spasmodic as he
likes a change often.

Hazel Youells
Track 1,2,3,4; Girl Reserves 1,2,3,4.

From Bradley Corners comes this farmerette
She makes a fine athletic silhouette,
A record made for the baseball throw
That will be hard to beat, of this I trow,
She's just another of the many blondes
And not much worried by scholastic bonds.

Francis Wiseman----- "Fran"
Girl Res. 1,2,3,4; Glee Club 1,2; Operetta

There is a flower, flower of the farm
Gentlemen find she has certain charm,
When they gaze into her eyes of brown,
Her hair looks as soft as the softest down
Although she's not fond of study
She is to her classmates a pal and buddy.

Bits From Our Class History
Marie Alarich

Out of our mother's nests we were shoved like little birds about to test their wings. Oh! how those second graders razzed us for being green. They were in the same room as the first graders.

Into the room crowded by the third and fourth grade, we next moved under the motherly protection of Mrs. Jessie Darrow. About that time some of the newest and shiniest equipment in the whole educational system was installed ---a slide and six swings.

In the fourth grade we could often hear the quick, rapid steps of the heavy, seventh--and eighth grade teachers above us, in the midst of Arithmetic class the bell rang and we were hurried out. The building smelled of----smoke!!! The old Hose Company Number One fire truck chugged up past the Park View Hotel with a cloud of exhaust trailing along behind. Some of the firemen unwound the hose and spurted a little fluid on the flames. Others rescued clothing. The lucky ones, decked in swallow tail fire chief hats, grabbed themselves a hatchet constructed on the plan of Little George Washington's, and plunged into the smoke filled building, probably in search of Principals Cherry Wood desk. School was held in the church adjacent, pending repairs. Ladies and gentlemen, I cannot tell a lie. They did not chop down the cherry wood desk. It is now in the office of our school.

Mr. Mosher received us into his room with a hearty welcome. We tried to be congenial to him, for the fifth and sixth grade teacher of the year before had been a ripper and tearer--of boys' shirts and girls' blouses. The school dated back to the days of the "harse" and buggy, days of the swanky derby and linen duster. In the spring we went home waving Report Cards in the air and saying, "I passed, I passed."

Bits From Our Class History (cont'd)

As little six graders we eagerly came into this large new school house.

The next year we scrambled for the back seats in Miss Lloyd's room.

In the eighth grade we assisted in "The Courtship of Miles Standish." Here we experienced a preliminary graduation, receiving our carefully rolled diplomas and so went on into High School.

As Freshmen we joined our new class mates from Jackson.

"Pleased ta Meetcha," and "A Magazine Princess" totaled our amateur efforts at acting. Many a bake sale we held in Ye Old Benjamin's store in the spring and in the fall. Decisions were made by means of long heated arguments in class meetings. Needless to say-- Robert Gunn, the long winded President, most always won out.

All of the orchestras which we employed at our dances were actively criticized. This proved very annoying, but we came out with a handsome profit due to the mellow orchestra of the reputed E. Lindsey.

Soon we shall amble across this clean--swept stage, to receive our diplomas, feeling a wee bit melancholy at the solemnness of that occasion. For it reminds us that we have a fortune to seek, dim and elusive in this modern world.

Class Will

We, the Senior Class of New Milford Consolidated High School being of uncertain mind and short memory, due to our uncontrollable audacity and in consideration of our monopoly on impertinence we heard this will as an innuendo. We hopefully declare this to be our last injustice and monstrosity dedicated and committed in this building. Without any idea of return or compensation we will and bequeath as follows:

To the Faculty we proffer a hope for shorter hours with proper pecuniary reward.

We leave Mr. Carr the long summer to appreciate nature.

We will permit Mr. Mitchell to munch one of our candy bars during school hours as solace for our departure.

We compliment Mr. Sholly on his superior technique and success in teaching "quarter wits."

Now that with our class colors we are thru' to Miss Oliver we give some silver to keep her from getting blue.

We unbutton Miss Golos of that round Button that stays by her like she was sewed-on.

We extend indulgently and patronizingly, our apologies for humiliating Miss Hall by our overbearing and authoritative behavior.

We intrust Mr. Hutchison, our friend the janitor, with Orin Gillett's glasses so that he will see more dirt around.

The Juniors are to inherit our dexterity in handling the moods and eccentricities of our teachers.

We allow the Sophomores to assume the responsibility of our interesting pastime of useless argument and idle waste of time.

May the Freshmen excell, as we now do, at quickly composing ourselves at the unexpected arrival of a teacher in a classroom.

To the Incoming Freshmen we leave our in difference to unfounded and never failing criticism.

As an act of condescension Robert Gunn --

favors Mr. Carr with his ability to orate about subjects known or unknown only to himself.

As a purely business proposition Ruth Chamberlin surrenders her extra insulating material to provide a happy landing for Mr. Mitchell when he speeds into his accident.

Leland Pease, unable to copyright his original sauciness has decided to leave it to Lillian Sharpless to whom we hope it will be more becoming.

Jennie Button trucks her truckin' down to Doris Walworth.

Bill Richardson reluctantly surrenders his reputation for being a snappy dresser with original and awe inspiring combinations by himself to Donald Darrow.

Doris Darrow leaves her intoxicating giggle to punctuate Alice and Harriet Darrow's amusing and highly imaginative stories. They might as well laugh with the rest of us.

Bennie Nulton leaves his astounding pole-vaulting record for James Turk to break.

We think that charming Bertha Barnard will benefit by the addition of Nina Stevens' sobriety.

Louise Leslie leaves her nervous anxiety and expectations of the unexpected to Douglas Craft.

Perry Hall wills his important position in the orchestra to Kenny Smith.

Mary Kerr leaves her long eyelashes to Eudora Hall.

To do two things at once is an art even though it is studying and holding hands in study hall. Jean and Stanley introduce this agreeable occupation to Del Craft and Carol Brotzman.

Lila Brotzman leaves her way with Miss Hall to Eileen Fernane.

Steve DeZuba and Doris Tibbetts leave their astonishing vocabulary of love words and special ogling signals to "Junnie" Wilmarth and Ruth Bolles.

Dudley Hall, the champion Fried-Egg eater, grants his healthful food habits to Betty Smith because she thinks she's such a good egg.

Lucille Amelia Ferster, whose initials are appropriately enough L.A.F. donates her uncontrollable study hall L.A.F. to "Reggie" Wood.

Harold Barnard forsakes his position as Mr Carr's stooge for Steven Lambiase.

Jean Hari lends her stiff neck to Helen Blakeslee to straighten out the pain residing there.

Russell Daniels brings to view his rusty vocal cords for tuning and exercising through the medium of the capable Hedges Summers.

Hazel Youells leaves her exciting Saturday night pilgrimages to Pearl Stone.

Bill Williams sends love and kisses to Winifred Payne.

Ina Stevens leaves her bossiness so as to add to Carol Brotzman's.

Burton Whitney presents his membership in the "No Eat Dinner Club" to Josephine Elbrechts.

Francis Wiseman surrenderes Joe Cosmello to Vilo Chandler.

Helen Bradley transfers her plow to Carl Gillett in the hopes that he can plough through school.

Bob Gunn leaves his vociferous echos to echo from room to room to the sweet utterances of Doris Aldrich.

Robert Whitney presents his realization of the futility of talk to James LaBarr.

Earl Gaylord leaves his cunning freckles to play tag with Teddy Welch's.

Marie Aldrich gives her name "Pudgy" to Elva Entrot.

Keith Gardner leaves a crack to make the disillusioned Juniors smile.

Jeanne Aldrich has consented in charitable kindness to leave a much needed portion of her well bred manners and servile attitude toward her superiors to my brother Hayden.

Livingston Cole donates his ability to masticate quantities of knowledge and ice cream to Audrey Tuttle.

Our Rose leaves thorns to help the Freshmen start from scratch.

If by the fall of 1938 Life is still living and schools begin educating, the Faculty of the New Milford School, as witnessed on this fatal night will be the executors of this our last will and testament.

A TWELVE YEAR EPIC (Cont'd)

Then eighth grade; graduation; and into high
school,
All gawky and green; awful easy to fool-----
Into wrong classes, caught by the bell,
Losing his books, no mission done well.

But he's a'learning, and he's now a sophomore,
Got into long pants,-and he likes the girls
more.
Now he's a Junior, so bold and so brave
An', gosh, look't the fuzz, he's most ready
to shave!

Then at last his senior year,
And graduation is awfully near,
He runs through the halls and gets under foot
He bothers the teachers till they are ready
to shoot.

He buys book reports, he worries over his
grade
Gets mixed up on the dates and appointments
he's made,
He works and he pants and exudes perspiration
He is troubled by all things except
inspiration.

But at the last he takes a much needed rest,
Combs back his hair, gets dressed in his best
And, way along at the last of the year,
You see him, all hot and uncomfortable,
sitting up here.

The baseball team had a fair season this year. Losing two close games in spite of the fine pitching of "Steve" DeZuba and "Staush" Bajkowski.

All members of the team won their letter for participation. The squad is as follows:

SoftBall

Under the leadership of our coach, Miss Hall, our girls organized a very efficient ball team again this year. As our team has only played one game, that with Rush on our own field, one could not say that the season was exactly a success. A fine spirit seemed to prevail in the many practices, and the game was a victory for our team.

The girls who played were:

Marjorie Aldrich---RF	SS-----Lila Brotzman
Marie Aldrich-----CF	F-----Carol Brotzman
Marie Gunn-----F	2B-----Eileen Fernane
Lois Stevens-----3B	LF-----Vilo Chandler

Basketball

We can easily classify the New Milford----
Boys Basketball squad as one of the best in the
county.

The fine coaching of Mr. Sholly brought
the boys up from third place to second in the
League standings.

The boys are noted for their fine spirit
and ability to fight to the finish.

The team is as follows:

Billy Richardson--F	Robert Whitney-----G
Delwert Craft-----C	Perry Hall-----F
Douglas Craft-----G	Naaman Wilmarth-----C
Roy Richardson-----G	Harold Barnard-----G
Paul Norris-----G	Wilbur Stanton-----F

TRACK

The County Track and Field meet was a great success for New Milford. We took first place in the meet for Class A.

The boys who took part were:

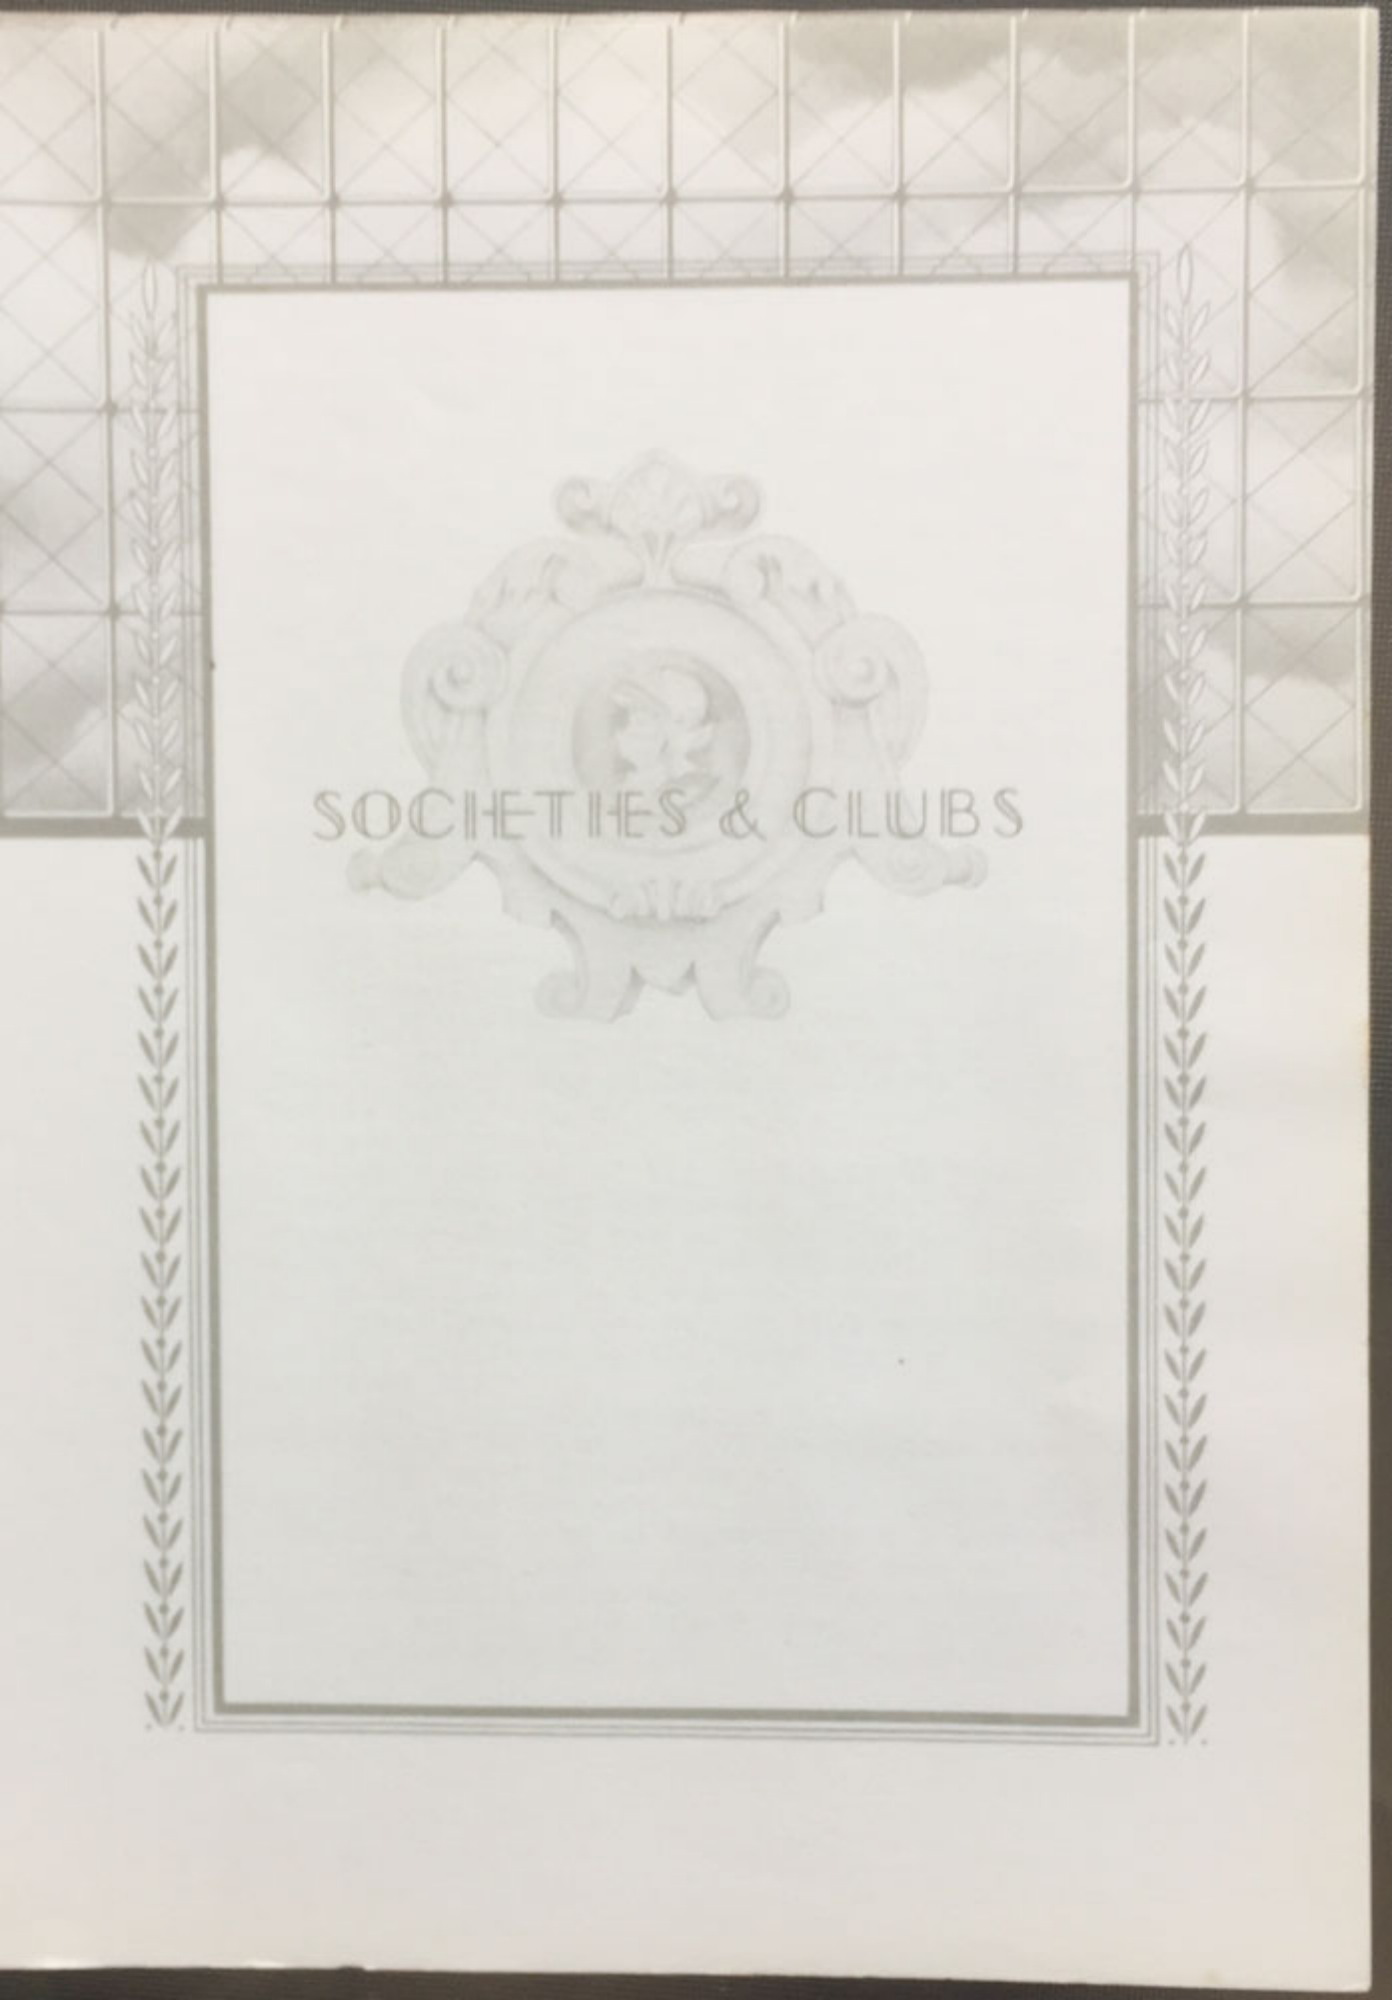

Douglas Craft, Delwert Craft, Maurice Jennings, Benjamin Nulton, Steven DeZuba, John Meck, Hayden Aldrich, Paul Norris, Stanley Bajkowski, Steven Lambiase, Hedges Summers and Chester Pasienski. The boys made a total of 43 points.

The girls taking part were:

Ilo Chandler, Lucille Ferrster, Ina Stevens, Ruth Bolles, Hazel Youells, Lillian Sharpless, Vilo Chandler and Lois Stevens. Altho' rather crippled by the loss of Mary Kerr they did very well. They made 35 points.

Together the boys and girls made seventy-seven points which took us to a flying victory.

Many of these people will leave because of graduation but we feel that there is lots of material left for future use.

SOCIETIES & CLUBS

HI-Y

The Hi-Y has a very definite purpose in the school, and in the past year we have tried to carry out this purpose: "To create, Maintain and extend throughout the school and Community, high standards of Christian character."

The officers for the year of 1937-38 were Robert Gunn, Pres.; Paul Norris, Vice-Pres.; Hayden Aldrich, Sec.; Bill Williams, Treas.

The Induction Ceremony for new members was held on September 29th.

At different times during the year social activities have been provided to give the members a good time. Among these were the Hi-Y, Girl Reserve party, and the Hi-Y party honoring Bill Leslie, a former member.

The older Boys' Conference, which is the high light of the Hi-Y year, was held at Sayre on December 3th, 4th, and 5th. There were --- nineteen representatives from our club who attended this conference. They are as follows: "Bill" Richardson, Keith Gardner, Delbert Hall Dudley Hall, Paul Norris, Russell Cottrell, Junior Wilmarth, James LaBarr, Robert Kerr, "Bill" Williams, Perry Hall, Hayden Aldrich, Delwert Craft, Roy Richardson, Douglas Craft, Harold Hutchison, Mr. Carr, Mr. Joe Sutton, and Robert Gunn.

This was one of the most helpful conferences we have ever attended. Besides the conference program it was possible for the delegates to go through the Packer Memorial Hospital or the Lehigh Valley Locomotive shops.

Paul Norris, one of our club members, was elected President of the North East district for 1938-39.

The programs throughout the year are carried on by the members. These programs generally lead into discussions of such topics as, "Should every boy plan to go to college?" or "Should a boy have an allowance and a budget?"

Clifford Lobb of Susquehanna came over and gave a demonstration on artificial respiration for one program, and Elbert Davies, Attorney-at-Law, of Montrose spoke on "Crime of Boys--- from 14 to 18."

Hi-Y (Cont'd)

The Hi-Y sponsored a program for assembly at which Mr. McGuire a member of the Federal Bureau of Investigation spoke on, "Crime Prevention."

The officers for the year of 1938-39 are Douglas Craft, President; Delwert Craft, Vice-president; Wilbur Stanton, Secretary; Hedges Summers, Treasurer.

ATHLETIC ASSOCIATION

The athletic association is an organization formed for the purpose of teaching good sportsmanship. It also encourages good scholarship because in order to be on the athletic teams a student's grades must be up to the average quota.

Besides living up to its purpose the athletic association has accomplished a great deal more work this year. It has won many victories on the basketball floor as well as the victories on the athletic field.

It has sponsored different programs to raise money to meet its financial obligations for the year. It has not only met the obligations for this year but it has paid those incurred and left last year. This was done by the receipts from the basketball games to a large extent. It sponsored an "Old Clothes---Party," which was a real success. Pencils were sold not only to students, but to outsiders.

The success of this organization is in part due to the fine cooperation on the part of the teachers.

We also wish to say "Congratulations" to the officers: "Bill" Richardson, Pres.; Steve DeZuba, Vice-Pres.; Eileen Fernanc, Secretary and Lila Brotzman, Treasurer, who have fulfilled their positions so faithfully.

SENIOR ORCHESTRA
