DEDICATION

The Class of 1939  
Dedicate  
this, our yearbook,  
to

Miss Mary Oliver for her perseverance as our  
home room teacher as well as language instructor,  
and to Mr. R. T. Mitchell in appreciation of his  
difficult work as our class sponsor during 1938-  
1939.

Doris Aldrich

Tri-Hi-Y 1,2,3,4; Minstrel 4.

Our quiet dark-haired girl from Jackson,  
Who always has her work well done.

A teacher she'll be, when her aim is won.  
Lucky "kids"; we bet they'll have fun!

Hayden Aldrich....."Hatch"  
Hi-Y 1,2,3,4; Basketball 1,2,3,4; Captain 4,  
Minstrel 2,4; Sr. Play 4, Operetta 3;  
Soccer 2; Track 2,3,4; Baseball 3,4.

Hayden belongs to the comic section of our  
class. As a star athlete in our group, he  
has played an unflinching part in track; also  
as a star detective with his rubber cigar  
in, "Are You Mr. Butterworth?"

Helen Blakeslee

Tri-Hi-Y 1,2,3,4; Minstrel 2,4; Sr. Play 4;  
Operetta 3.

Our good-natured Helen is quite a number,  
She's never quiet except in slumber,  
She can sing, she can dance;

And is quite an actress if given a chance.

Carol Brotzman

Tri-Hi-Y Chairman 1; Sec'y 2; Pres 3; Basket-  
Ball 1,2,3,4; Athletic Association Sec'y 4;  
Class Pres. 2; Minstrel 2,4; Senior Play 4;  
Softball 4; Orchestra 1,2,3,4; Operetta 3.

Our Carol gets around! Her violin to soften  
the orchestra, her zest in basketball, her  
fairness in dealing with others, her per-  
formance in "Are You Mr. Butterworth?"--all  
these will be missed. "Bon voyage, Carol

Margaret Burlingame....."Peggy"  
Tri-Hi-Y 1,2,3,4; Minstrel 2,4; Sr. Play 4;  
Playground sponsor 3; Operetta 3.

Our curly-headed Peggy is not so big, but is packed full of energy and always ready for a good time. She stars in dramatics, track, and noise-making! Beauty culture is her goal. "May luck be with you, Peg."

Douglas Craft....."Doug"

Hi-Y 1,2,3,4; Pres. 4; Basketball 2,3,4;  
Class V. Pres. 3, Pres. 4; Minstrel 2,4;  
Operetta 3, Volley ball 2,3,4; Soccer 2;  
Track 3,4; Baseball 2,3,4; Orchestra 1,2,3,4.

We chase this long, lean and lanky fellow as our Senior President. In sports he's "in 'em all" and good "in 'em all." His other interests run to girls, "Jitterbug" orchestras and sleeping.

Alice Darrow

Tri-Hi-Y 1,2,3,4; Minstrel 2,4; Orchestra 1,2,3,4; Playground Sponsor 3; Operetta 3.

Alice is our alto songstress from Lakeside with dark hair, pretty brown eyes and dimples. She is always willing to help and has done her bit in Senior Activities.

Harriet Darrow

Tri-Hi-Y 1,2,3,4; Minstrel 4; Playground Sponsor 3, Operetta 3.

Harriet hails from the mighty town of Lakeside. She has a splendid soprano voice and also a marvelous "giggle." We rather think her ambitions are diverted toward homemaking and we wish her the best of luck and happiness.

Harold Decker....."Skeet"

Hi-Y 1,2,3,4;.

One of the many farmers in our class, willing to work when he is asked.

To "Skeet," we wish as through life we pass Success, wherever his aim is cast.

Kathryn Evans

Tri-Hi-Y 1,2,3,4; Vice Pres. 3, President 4; Playground sponsor 3; class sec'y 4; Minstrel 4;.

She came fourteen thousand four hundred miles to graduate with the class of 1939. Maybe that is where she came by time enough to thing so constructively. Best of luck in your well-earned secretarial plans, Kathryn.

Eileen Fernane....."Mert"  
Tri-Hi-Y 1,2,3,4; Treas. 1; Comm. Ch. 2,  
Distric Pres. 4; Basketball 1,2,3,4;  
Cheerleader 2,3; Ath. Ass'n. Sec'y 3;  
Minstrel 2,4; Sr. Play 4; Volleyball 2,3;  
Softball 1,2,3,4; Operetta 3.

We, as Seniors, can plainly see Eileen's future by looking at her left hand. Eileen has shown excellent work in dramatics and sports. We wish her success throughout her life whether in these or other pursuits.

Kenneth Gardner....."Ken"  
Hi-Y 4; F. F. A. 4.

After completing the three-year course at Starucca last year, Kenneth joined us in Senior Activities. His help in Senior activities and his friendly attitude have made him a welcome member of the class of '39.

Carl Gillett

Hi-Y 1,2,3,4,5,6; F. F. A. 6; Operetta 5;  
Minstrel 6.

Our tall, dark and handsome senior, who is always jolly and has a good word for everyone. We always know when Carl's around by his "He-Man" laugh!

Nora Giandiletti

Tri-Hi-Y 1,2,3,4; Volley Ball 4; Soft Ball 4;  
Minstrel 2,4; Operetta 3; Senior Play 4;  
Nora is a high land lass,

With dark, pretty hair and plenty of class,  
She was a heroine of the cast  
The fame of which will ever last.

Delbert Hall....."Del"  
Hi-Y 1,2,3,4; Volley Ball 1,2,3,4; Soccer 1,  
2,3,4; F. F. A. 4; Orchestra 4.

Another of our illustrious Seniors is, blonde Delbert Hall. Studies have not particularly bothered him, but he has made the grade, and now steps into the busy world, ready, willing and hopeful.

Dorothy Hall

Tri-Hi-Y 1,2,3,4; Minstrel 4; Operetta 3.

A pretty lass from Lakeside whose curly hair covers a head which is far from empty. Her favorite hobby seems to be "Gardening". We predict that she will succeed in whatever she undertakes.

Elizabeth Hartt....."Betty"  
Tri-Hi-Y 1,2,3,4; Minstrel 2,4; Orchestra  
3,4; Playground Sponsor 3, Operetta 3.

Where you hear the "Zoom" of a cello, of a scholastic record of unusual excellence, of someone helping where needed, or of a small girl with big determination, that might be our valedictorian, "Betty".

Harold Hutchison....."Popeye"  
Hi-Y 1,2,3,4; Minstrel 2,4.

Have you seen that good-looking fellow around cleaning the schoolrooms, and emptying waste baskets? That's "Popeye". Interested in girls, automobiles, and, well most anything but studies. He is a good classmate and we wish him the best of luck.

Maurice Jennings....."Jennings"

Hi-Y 1,2,3,4; Cheerleader 3,4; Ath. Ass'n. Pres. 4; Class Treas. 1; Vice-Pres. 3; Minstrel 2,4; Senior Play 4, Volley Ball 1,2,3,4; Soccer 2,3,4; Track 2,3,4; F. F. A. 4, Pres. 4; Playground Sponsor 3, Operetta 3.

James LaBarr....."Jim"

Hi-Y 1,2,3,4; Minstrel 2,4; Senior Play 4; Soccer 2,3; F. F. A. 4; Playground Sponsor 2,3;.

You can always depend on Jim when in need of a good helper. As interlocutor in the Minstrel and Mr. Bashinski in the Senior Play, he has more than proved his ability as an actor. His outstanding characteristics are:- a hearty laugh, a cheerful disposition and the ability to ask questions Ask Miss. Hall!!

Steven Lambiase....."Steve"

Hi-Y 1,2,3,4; Basketball 1,2; Minstrel 4; Operetta 3; Track 3,4; Baseball 1,2,3,4; F. F. A. 4;.

Steve Lambiase is our healthy admirer of those delicious vegetables--"Pease".

He has long curly eyelashes, black eyes and big dimples which he's always emphasizing by his hearty smile.

And is ready and willing to help, when asked.

Jena Mosher  
Tri-Hi-Y 3,4; Minstrel 4, Operetta 3.  
Though Jean has moved about during her high  
school years, we are very glad she has  
chosen our school for graduation. Her  
attractive personality has made her many  
friends and we're sure she'll succeed in  
her chosen career,-that of home-making.

Hi-Y 1,2; Class Treas. 4, Sr. Play4; Soccer  
3,4; Track 3,4.  
The Salutatorian of our class, is this

Our witty red-head is small in size but not in ability and mind. His standing as fifth honor student and his fine work in the play prove this. We wish him future as well as present success. There could never be another "Ted"!

### The Ballad of '39

Tonight you are gathered here as our guests,  
We'll not mistreat you although we are pests,  
We've been here so long 'tis time to decide,  
If we reach a safe harbor or drift with the tide.  
As freshman, about 35, with a rattle and jiggle,  
We came from grade eight with a snort and a giggle.  
"Amen, and good riddance," said good Mr. Reitz,  
"I'll hie me to Sunbury away from this frieght!  
We behaved very badly, far beyond our amends;  
We annoyed our teacher; we pestered our friends;  
We studied our notes instead of our lessons;  
And the hallways were filled with our gossiping  
sessions;  
We sobbed at our errors; and laughed away trouble;  
And a stern Miss Hankins gave us punishment double.  
Here we blushed, and we giggled at having a date,  
And ever since then Eileen has been late.  
"Two years," said Miss Oliver, pulling her hair,  
"Both Freshman and Sophmore!" She cried in despair.  
But after a while she softened a little,  
And with Peggies jokes we bent in the middle,  
The valdictorian we knew from the start,  
Would be a close race between Nulton and Hartt.  
As Juniors, of 37, we were assigned,  
to Mr. Sholly, both noble and kind.  
He lectured on conduct, and manners and noise,  
Until we felt confident we had gained poise.  
Then when we were Seniors our parents to please,  
We annoyed Mr. Carr to inquire of our E's!  
For you see we began thinking of one more year,  
To be spent in school was our terrible fear.  
To bring our the spring, showers and all,  
We left all our gardening to Dorothy Hall!  
"I wish," said Maurice, "That school days would  
linger,  
To give me more time to talk to Miss Finger."  
And if we hadn't watched that shiek named LaBarr,  
His name would have been linked with Hedy LaMarr!  
The biggest surprise for faculty, Janitor, all,  
Would have been a quiet Senior study hall.  
Or make a debate in P. of D. class  
Without an argument between lad and lass.  
It took Audrey and Carol, and Doris and Jean,  
To whisper and giggle, till a teacher be seen.  
Our scholarly smartness to Jackson we owe,  
For Doris, Harriet and "Winnic" you know.  
Balanced of course by Doug and Paul

### The Ballad of '39

Helen was silent and always demure,  
And so were Alice and Kathryn we're sure.  
Nora is darkeyed and snappy and true,  
With John always willing to only help you,  
Delbert and Harold were the best of chums  
And our "Hutch" ever helping with fingers & thumbs.  
Now our school days for most have been drawn to  
an end,  
Still some, their parents to college will send.  
And although its all over, our four years of fun,  
In reality, you know, our work's just begun.  
Kids will miss us and wish we were back one and  
all,  
and so will the teachers, including Miss Hall!

## CLASS HISTORY

On the morning of August 31, 1935 forty-five Freshmen met for the first time as the class of 1939. Miss Oliver, as new to New Milford High as we were, met this quiet spell-bound group in the east room, and tried in vain to instruct us, so that we might go to the right classrooms. Oh, that she might have known us well enough then to have appreciated that quiet, spellbound group. We left that room, feeling much in need of a compass to solve such questions as, "Where is the east room?, Which is the west room? Which is the north and which the south wing?" and "Shall we pass through the halls in a north easterly or a south-westerly direction?" It didn't take us long to become acquainted with our new surroundings and we soon acquired the wim, wigger and tongue-wagging that have stayed with us for four years.

Of course, being Freshmen, we went through a series of mix-ups and made many mistakes, but we **survived** all these and our initiations with little or no serious results. However some of our boys still have memories of silver nitrate brands and wild-turnip salad!

At Christmas time we had a class party in our home-room. The success of this led to a Valentine Party, which, being sponsored by our class, was naturally a success.

During this term we became famous as entertainers when we presented a Major Bowes Amateur Program to the school assembly.

This first term of our high-school life came to a glorious climax when we picnicked at Lakeside the last day of school.

When we met again in the fall of '36, the number in our class had diminished to 37. We considered ourselves experienced high-school students and wondered why the new Freshmen were so much "greener" than we had been. Miss Hall was added to the faculty this year. Robert Williams, Selma Hoffner, and Patsy Igoe joined the class that fall but soon departed. Julia Shobat was married during the summer. Again Miss Oliver was forced to put up with us in the east room.

## CLASS HISTORY

Our only Sophomore party was a farewell party for Lois Lee who had transferred to Carbondale. It was during this year that Miss Oliver chose us as her Model Latin class and had us demonstrate our skill to visitors at night school. Our entertaining ability was elevated by a play "You May Stay After School" which we presented to the school assembly and at P. T. A.

The end of our second year soon came and we again went to Lakeside for a picnic and a hot-dog roast at night. This was in honor of Miss Hankins who was not coming back in the fall.

When we met as Juniors, several of our old classmates were missing but we were pleased to welcome two new ones, Marie Truex and John Meck from South Gibson. Two new members were added to the faculty--Mr. Mitchell and Mr. Sholly.

I think they placed our class in Mr. Sholly's home-room so that his first impression of New Milford would be a good one!

We had one party in the school-auditorium. Almost every class member was present and we devoured quantities of pie and ice-cream.

Marie Truex was forced to leave soon because of poor health. Clifford Sutton and Rachael Perrington preferred married life to high-school studies and now are the proud parents of a husky son.

Our Jr. Prom was a huge success, with the auditorium decorated in miles of blue and silver crepe paper, with Len Fennel's orchestra furnishing the best of music.

Of course, we didn't overlook our Lakeside party this year. We had a picnic lunch and a wiener roast at night-----or did we?

With Mr. Mitchell as sponsor and Doug Craft as president the Senior class, 30 in number, faced the difficult problem of financing the Washington trip. Yes, after much arguing we finally voted to go to Washington instead of the New York World's Fair.

Thanks to Miss Golo and her untiring efforts as director, our Minstrel the Follies of 1939, was one of our largest successes.

## CLASS HISTORY

Perhaps "Ferdinand, the Bull," should be invited on our trip because he certainly helped us entertain our audience. By the way---"Are You Mr. Butterworth?", if you hadn't heard, that was our Senior play. The Panorama, our yearbook, has been completed after much work and many headaches.

These and many smaller activities have helped to finance our Washington trip. We leave Monday morning June 12th and our history as a class will not be completed until our return June 16th.

Our class, accompanied by Miss Golos, visited Miss Hankins at Milford last fall. We went to Pinchot's estate, Port Jervis and High Point, N.J. stood on the Tri-State Rock and enjoyed a wonderful day. We attended the career Forum day at Scranton-Keystone Junior College on April 28th.

Strange as it may seem, we have had to attend classes this year, in spite of all these activities.

Our extra-curricular activity record, we feel is above the average. With 10 members of our class in orchestra, 6 on our B. B. Team, 11 in track meet and practically all in Minstrels, music festivals etc. we feel that our class will be remembered. What will New Milford do when the class of '39 leaves???????

## CLASS WILL

Scene: Lawyers' Office.

As the curtain opens the lawyer is seated at his desk. A knock is heard at the door.

Lawyer: Come in! (Clients enter)

Audrey: I'm awfully sorry we're so late but then you know how my friend here has to fuss just so much before she can get under motion.

Lawyer: Oh! that's perfectly all right and besides I had a few important telephone calls to make. Won't you be seated please?

Eileen: Thank you. Audrey I think we'd better get started right away don't you? We have a great deal of business to settle you know.

Audrey: Oh Yes, I think so.

Lawyer: Certainly, ladies. Now as I recall when you made your appointment yesterday you wished me to draw up a will of some sort for you.

Audrey: Oh yes, a very important will, you see it is our class will and we wish to settle everything before we leave for Washington at 5 A. M. on June 12th.

Eileen: Yes, that's right! The shock of rising at such an unearthly hour might prove disastrous to our health.

Lawyer: Well, let's begin. If you will just tell me how you would like it worded we can get down to business.

Eileen: We, the class of 1939, being of sound mind (we hope) and about to step forth from the sheltering arms of the N. M. C. S. stand before you at this critical moment with our hearts in our throats and our brains still reflecting a little of the green which as Freshmen we pitifully displayed to the criticizing eyes of the upper classmen.

Audrey: Now our foremost thought in presenting the following bequests is to impress upon the minds of our classmates the great affection which we have felt for them---Ahem!

Eileen: AHM!!!

Lawyer: AHM------(Cough)

E : To the faculty we leave our intense optimism needed for battle when the odds are against them.

A : To Mr. Carr we leave a hope that the next English IV class will be a trifle more attentive to his more or less original witticisms.

A : To the school board we leave our deepest sympathy.

E : To Miss Hall we will a rest from our exhausting home room periods and a hope that her disappointment will not be too great when she realizes what she has lost.

A : To Mr. Sholly we will many long years of patience in the exceedingly difficult task of trying to make a dollar out of ninety-nine cents.

E : To Miss Oliver we will a quiet study hall for people who really want to work and an appropriate place for those who don't.

four years of incessant toil.  
A : And now the personal bequests.

hopes that some kind soul will keep

### Boys' Basketball

We can truthfully say that the New Milford boys' squad was one of the finest basketball squads in the county. Although hard luck befell the team during several of the home league games the record with schools of other leagues was exceptionally good.

Mr. Robert Sholly did a splendid job of coaching the squad and we are proud of the clean, hard-fighting spirit the boys had.

The members of the squad are:

Hayden Aldrich	L. F. Cap't.	Kenneth Smith
Delwert Craft	R. F.	Neaman Wilmarth
Douglas Craft	C.	Wilbur Stanton
Roy Richardson	L. G.	Donald Darrow
Paul Norris	R. G.	Hedges Summers
Jack Fernane		George Wilkas
Donald Tingley, Manager

### Girls' Basketball

The girl's basketball team, under the able coaching of Miss Marjorie Hall got under motion on November 21st this year, when they put up a grand fight against the Alumni. As you remember we lost several good players last year who, of course, presented themselves as our opponents. The Alumni team won by a 3 point margin. Not a bit undaunted our team sailed through the remainder of the season with flying colors, winning second place in the league. The scores are as follows:

<u>Game</u>	<u>High School</u>	<u>Opponents</u>
Alumni	20	23
Nicholson	24	36
Montrose	30	19
Hallstead	20	30
Susquehanna	23	12

The girls on the squad are:

Vilo Chandler	Eileen Fernane	Betty Hutchison
Carol Brotzman	Bertha B.arnard	Ilo Chandler
Ruth Bolles	Suzanne Fernane	Lois Stevens
Alta Barnard	Zilpha Davies	Hazel Meade
Betty Herbert	Helen Welch	

We lose only two girls from the team this year and although they will certainly be missed we are looking forward to a fine team and a successful season next year.

## Boys' Volleyball

New Milford has developed a fine team this year under the capable guidance of Mr. Robert Sholly. We have a record of six victories and one defeat which retained for us the Susquehanna County Championship we held last year. In the District Playoffs we lost to Tunkhannock in a closely contested game.

Those who played on the team were:

Paul Norris	Elmer McConnell
Morris Hall	Delbert Hall
Delwert Craft	Donald Darrow
Maurice Jennings	Chester Pasienski
Douglas Craft	John Meck
Roy Richardson	John Alexander
Jack Fernone	John Plonski

## Soccer

Our soccer team gave many farmer boys a chance to be in athletics. We were fairly successful winning half of its games and losing the others by close scores. By far, the most interesting game was the play off game at Nicholson which we lost in the last 30 seconds of play 1-0. Win or lose, the boys always showed a clean, unconquerable spirit for which the New Milford Alma Mater is famous.

The team was composed of:

Thomas Nulton	Harold Evans
Delbert Hall	Chester Pasienski
John Plonski,	Ronald Morrison
George Welch	Elmer McConnell
John Meck	Morris Hall
Paul Gamaer	Maurice Jennings

## THE COUNTY MUSIC FESTIVAL

The County Music Festival for 1939 was again held in our school Friday, April 14. A previous performance allowing participants and other students to see the choruses and orchestra was given Wednesday, April 12. The program was identical with the one given April 14.

On the night of April 14, there were approximately one thousand persons in attendance. The auditorium seated five hundred and thirty of these. The rest, who were the participants, were seated in the grade rooms throughout the school.

The program began with a rural group under the direction of Miss Lois Weir. They sang--- "Mother Goose," and "Hey, Marinka!" The group was composed of primary scholars.

The second part of the program was the Silver Lake Rural School with Mrs. George Finn, teacher. They sang "Old King Cole", arranged by Thomas Dunhill; "Sister Months," by Arthur Johnstone; "Bird Songs at Eventide", by Eric Coates; "A Million Little Diamonds", by John E. West.

The grade school chorus was under the direction of W. W. Jones of Scranton, with Miss Mayme Pohowsky as accompanist. Their three numbers were, "A Story" by Gladys Pitcher, "On Wings of Music", and "The Canoe Song".

There were sixty-seven in the orchestra, conducted by Maurice D. Taylor. There were a few players chosen from each school. "University March", was the first rendition by the orchestra. "Oriental Fantasy", "Liebeslied", and "The Gypsy Trail Overture" completed their part in the program.

The high-school chorus was conducted by W. W. Jones, and Mrs. Robert McAullife was the accompanist. Their numbers were beautifully presented. These were; "The Waltz of the Flowers" "At Dawning", "Pepita", and "Old Black Joe." All numbers were heartily applauded.

The Sixth Annual Music Festival was, through the help and hard work of the county Music teachers a success. The festivals grow larger every year, showing an increase of music lovers in our own Susquehanna County.

#### Synopsis of Scenes

The action takes place in the combined lobby and coffee shop of the Empire Hotel.

Act I About 5 P. M. A hot summer day.

Act II Six-thirty the same day

Act III Eight O'clock that evening.

#### The story

All the members on the staff of the Empire Hotel know that Mr. Butterworth has purchased the hotel and is coming to claim it, but where he is, is one of the mysteries.

In the meantime, Mr. Bashinsky has his sample jewelry case stolen. Meck has every thing under control, but is too slow. So Bashinsky offers five hundred dollars to anyone who can find them. That gets everybody busy on the case. Suspicion is cast every which way.

They suspect Miss Arabella Van Cleve, a University Professor, who carries a mysterious bag, but as it turns out, she is concealing her poodle in it--against hotel rules. Sylvia Delaney is discovered with a collection of Jewelry, and is suspected until the Jewels are found to be paste.

There is romance too--Between Virginia and Meck, and between Dan and Helen Worth. Dan finds Helen a job in the coffee shop. This romance suffers a violent setback, however, when it is discovered that Helen possesses a trunk full of expensive clothes and Jewelry. At Last, Mr. Butterworth arrives. He claims Helen as his daughter, and uncovers the diamonds in the laundry room. Everything is set aright and everyone satisfied.

The Hi-y Club of New Milford High School has been well organized by the President, Douglas Craft and his Cabinet who are Delwert Craft, Vice-Pres.; Wilbur Stanton, Secretary; Hedges Summers, Treasurer, and L. B. Carr the Club Supervisor.

The club meets each alternate Wednesday.

The New Member Induction services were held on October 27th, and much fun and frolic was enjoyed. This service was held in the Auditorium.

Many of the boys together with L. B. Carr attended the annual Older Boys' Conference in Carbondale, December 2,3, and 4. While there they enjoyed an address by James Lee Ellenwood who is State of New York Y. M. C. A. secretary. Other highlights of the program were J. I. Hoffman's colored movies, Ira Thomas' Athletic lecture, and a talk by Blake W. Godfrey. Mr. Godfrey later spoke at an assembly sponsored by the Hi-Y in New Milford.

An election of new officers was held May 19, and these are the 1940 cabinet. Hedges Summers, President; Jack Fernane, V.Pres; Roy Richardson, Sec.; Robert Churchill, Treas.

### FUTURE FARMERS OF AMERICA

The boys taking vocational agriculture have organized the Northern Tier Chapter of Future Farmers of America. They are now a charter member of the largest organization of farm youth in the world. The F. F. A. is an organization of high school boys, and wherever corn is grown you will find brother members.

Maurice Jennings was elected Pres; Carl Gillett, V. Pres; Jack Fernane, Treas.; and Naaman Wilmarth, reporter.

The spirit of the organization is set forth in the following verse:

Our hopes are high and our faith is strong,  
We know the greatest peace from toil,  
Is found by living from the soil,  
We know our work and play and rest  
Is found close to the earth's kind breast,  
We work with flowers and trees and grain;  
Our prayers are answered with sun and rain,  
We hold dumb creatures in our care,  
And proudly plan their daily fare,  
We see in earth, from sky to clod,  
The open living books of God!

### THE VARSITY CLUB

The Varsity Club was organized as a school activity on the night of September 16. Officers elected on this night for the season were: Kenneth Smith, Pres.; Donald Tingley, V. Pres.; Wilbur Stanton, Sec.; Hedges Summers, Treas.

Our club has many purposes. Its main purpose is to provide a means for participation in meetings to benefit athletic-minded high school boys. The membership totals fifteen boys with R. F. Sholly as sponsor.

We have had weekly meetings outside of school. Some of the meetings were held at Mr. Sholly's home. Other places were the homes of Doug Craft, Paul Norris and Donald Darrow.

Our first activity was a hay-ride party held on the night of October 15. Kenneth Smith was our host. We went for a hay-ride, played games in a field purposely chosen and built up for this occasion. The fifteen boys each invited a girl. A "rousing" good time was had by everyone.

The trip to Sunbury to witness the Lewistown-Sunbury high school football game was a success even though it rained a good share of the time. The trip was made in three cars with traveling expenses paid by each member. We had a good time at the home of Mr. and Mrs. Sholly while we were there.

Varsity club Day on March 4 was enjoyed by all in attendance. Many forms of amusement and recreation were in evidence. A volley-ball tournament began the events. Schools of Montrose, Susquehanna, Harford, Hallstead and New Milford participated. Susquehanna won the trophy awarded by Tom Taylor of Scranton. Then a basketball game between the high school squad and Binghamton Business Institute was played. Our boys were victorious with a score of 44-39. The main events of the evening were the Bingo party and three hours of dancing with music furnished by the Varsity Club Jitterbugs.

The Varsity Club is presenting seniors with gold basketballs and each member with a chenille letter.

On May 26 the boys leave for Penn State where they have reservations in a house. During the time spent there, the State Track meet will be held. Participants from New Milford who took a first or second place in the district meet are Douglas Craft, Delwert Craft and Paul Norris.
